Rockville, Md 20852

SUBJECT: Docket Number 94P-0036

We wish to support the proposition to have trans fats listed on food labels by food manufacturers. Its very important since we are at risk without it there for our information to deal with the serious trans fats hidden in our foods. And we would appreciate you taking this very seriously for the good health of our nation. We know you will make the best decision,

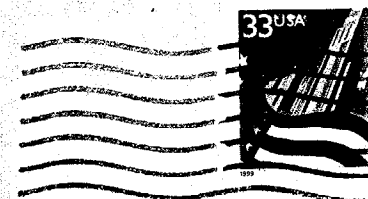

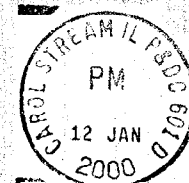

Sincerely yours,

Carl & Patricia Verdone
